# PROFESSIONAL FURNITURE RESTORATION

HELLO,

*We are your experts in  
providing high end restoration  
services to business!*

## TESTIMONIAL

Just wow!

Last fall I had Suite Upgrades come in and restore the furnishings within my hotel's lobby and some rooms as well. These pieces looked brand new when they finished. Roland's (CEO) team did a great job and I will be looking to refer his team over to others needing this sought-after talent and work.
